Sir:

In response the Office Communication dated 11 January 2007 entitled Notification to Comply with Requirements for Patent Applications Containing Nucleotide and/or Amino Acid Sequence Disclosures, the undersigned believes that the above captioned application is in compliance. This application does not include any amino acid sequences. Therefore, no sequence listings are required.

The Response is timely filed and no additional fees or extensions of time are needed. However if this is in error, please provide any extensions of time necessary and charge any fees due to Eli Lilly Deposit Account 05-0840. Timely examination of this application is requested leading to allowance of all claims. The Examiner is invited to contact the undersigned attorney by telephone if there are any questions about this Response or other issues that may be resolved in that fashion.

Respectfully submitted,

/James B. Myers/
